Elegy on Lacking Inspiration

Â

I don't feel much like writing this poem,  
for there's nothingÂ that much on my mind;  
No birds are a-tweeting, no cattle are lowing,  
or maybe myÂ perceptions are blind.

Â

For want of an alternative merit,  
I findÂ now is theÂ right time to stop.  
If a poem won't work, then end it  
to limit the scope of the rotÂ .
